EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Mr. John Buser on February 16, 2005.

3. The application has been amended as follows:

In the Claims:

Claim 9: (Currently Amended) A method for providing directory assistance without using a call routing network for business directory assistance, wherein a call for directory assistance is routed through an intelligent service peripheral to a speech recognizer to determine the type of assistance requested, wherein the speech recognizer is separate from the call routing network, and, if the request is for business information, automatically retrieving requested business directory assistance information by searching in a directory database associated with the intelligent service peripheral without communication through the call routing network, and if the call is not for business directory assistance, routing the call through the routing network to a call center.
